Manschaft IT is a fast-growing IT Systems Integrator and provides Services in the area of,

- **Networking**
- **Cyber Security**
- **IT and DC Infra**
- **Cloud and Hosting**
- **Physical Security**
- **Professional Services**
- **Turnkey Project**

Manschaft IT a System Integrator is an **Arya Group** Company; the Group is headed by **Mr. Ravi Arya**. Arya Group is primarily involved in the Iron and Steel Industry and are the pioneers of Ship Breaking in India. We have carried out this activity since 1982 at Alang and Mumbai. The Organization started out as a small trading unit and has expanded manifold and has established itself as one of India's prominent corporate houses.

Manschaft IT was started in August of 2013 and is the brain child of **Mr. Nakul Arya** and **Mr. Moiz Patel**. Manschaft means team work and was formed primarily to cater to the group's IT requirement but with our vast experience in the field, we have expanded our offerings to our corporate clients around the globe.

We are an IT System Integrator and a vendor agnostic company who closely works with industry leading OEMs in various IT domains like Networking, Cyber Security, IT and DC Infra, Cloud and Hosting, Physical Security along with our own Service offering like Managed Services, NOC, FMS and AMC, Turnkey Project services across India.

Our Vast Experience in the above domains, enable us to proficiently assess the performance of corporate and business units and help the organization to regulate, maintain and hence protect the business productivity.

Following are the bifurcating features from other SI's

- Both Capex and Opex offerings including rentals (Product as a Service)
- Network Operations Centre (24x7x365 Remote Monitoring & Management)
- Field Services including Local Technical Services
- Strong Project Management/Documentation
- Strong Governance and Partnering
- PAN India Reach

What we deliver?

We are an IT System Integrator and are vendor agnostic, we work with industry leading OEMs. We have certified hands-on resources who work closely with clients to understand their requirement(s) and provide them with industry leading solutions which not only caters to their technical but also their business requirement. We delivery all our projects through our PMO with industry standard documents. We provide technical support in the form of our Managed Services offering (24x7), Post-Sales support, IT-Audits along with FMS and AMC across India.
